

Parent Information 2018 Fall XC

ALWAYS FIND IMPORTANT INFORMATION: <https://paly.run>

- **Participation Donation** funds the majority of the XC team expenses (travel/buses, meet fees). Every family is encouraged to donate in order support the team. Sports Boosters collects the money for each sport and their suggested amount is \$200/per athlete per sport. The XC team would like you to consider \$250 per athlete. **The important point is to donate whatever amount (large or small) you feel comfortable giving.** We need at least **80%** of families to participate in order to for the team to receive any money.
- We are collecting a small fund this year to enable the team to purchase food and drink for meets. Food and drink donations will still be welcome but giving the team more options and flexibility makes sense. Unused monies will be applied to end of season banquet.
- Lastly, we will have a XC banquet at the end of the season. Tentatively scheduled for November 2nd or 8th.
